SUGARCANE CONFERENCE

In Conjunction With
World Plantation Conferences and Exhibition
(WPLACE-2017)

October 18-20 2017
Grand Sahid Jaya Hotel, Jakarta - Indonesia

PROCEEDINGS

of the

INTERNATIONAL SUGARCANE CONFERENCE

In conjunction with

**WORLD PLANTATION CONFERENCES AND
EXHIBITION (WPLACE)**

held in

JAKARTA, INDONESIA

October 18 – 20, 2017

INDONESIAN SUGAR RESEARCH INSTITUTE

(ISRI)

PROCEEDINGS
of the
INTERNATIONAL SUGARCANE CONFERENCE

Achieving the Sustainability of Sugar Industry:
Problems, Challenges and Issues

Chairman:

Dr. Lilik Koesmihartono Putra

Editors:

Dr. Nader Sallam,
Dr. Wiwit Budi Widyasari,
Ari Kristini, SP., MPlantProt,
Etik M. Achadian, SSi, MP

The views of the authors as set out in these Conference Proceedings
do not necessarily represent the views of the
Indonesian Sugar Research Institute

All papers published in these Conference Proceedings
are peer-reviewed by at least two Referees.

Content

- Sugarcane Trash Management After Manual Harvest and Its Impact on Productivity. 1-9
Sandi Gunawan, Syahrial Koto and Purnomo Aji
- Selection of Promising Sugarcane Clones Based on Potential Sucrose Content Using Near Infra Red Spectroscopy (NIRS). 10-20
Alfarina K. Sari, Syahrial Koto, Purnomo Aji and Dieas Mahendra
- Assesment of Agronomic Traits Polyploid Plants of Sugarcane (*Sacharum officinarum*) in PT. Perkebunan Nusantara XI. 21-28
Karina Inassyiva Rosmala
- Fertility Mapping and Fertilization Recommendation for *Saccharum officinarum* L. with Interpolation Analysis Method (Geographic Information System) in Ponorogo Regency, East Java Province. 29-36
Basuki
- Feed Safety Assessment of Drought Tolerance Genetically Modified Sugarcane NXI 4T. 37-44
Nurmalasari, Natalia Tri Astuti, Agus Heri Setyo Wahyudi
- The effect of Growth Promoter to The Germination and Shoot Growth on PSJK 922 sugarcane variety 45-56
Arinta Rury Puspitasari, Diana Ariyani dan Sri Winarsih
- Monitoring Sugarcane Smut on Major Cane Varieties in PT. Perkebunan Nusantara X (PTPN X) Cane Plantation, Indonesia. 57-61
Dita Widi Atmaja, Sunaryo N, Moch. Ma'ruf, Sabar D. Komarrudin, Purnomo Aji, and Muliah
- The incidence, severity and molecular detection of (*Saccharum* spp, Hybrids) in PT Perkebunan Nusantara XI. 62-67
Agus Heri Setyo Wahyudi, Ahmil Sholeh, Narita Ayu Maharani, Natalia Tri Astuti, Nurmalasari, Yosephine Sri Wulan Manuhara, Bambang Sugiharto, Hardian Susilo Addy.

Dominance and Diversity of Weed Species in Pesantren Baru Sugar Factory Area. 68-76

Dita W. Atmaja, Sunaryo N, Moch. Ma'ruf, Sabar D. Komarrudin, Purnomo Aji, and Muliah

Management of The Sugarcane Whitegrub (*Lepidiota stigma* F.) Using Imidacloprit Granular Insecticide. 77-85

Herwan Cahyono Adi, Martinus Surya Prayitno, Aji Sutoro, and Yana Annisa
